

Year 1:

Living in the Wider World

Key Learning

We have lots of different rules to help to keep us safe and happy. These rules can be different at home, school and in public places.

People use the internet for lots of different reasons such as research, playing games and talking to friends.

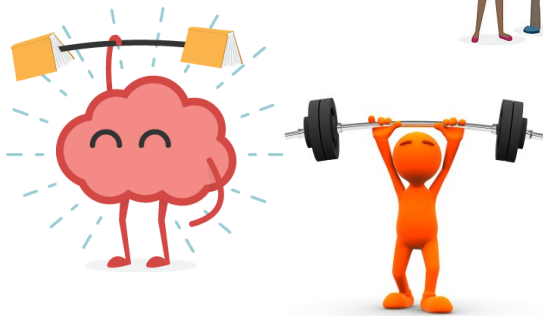

There are lots of different ways of accessing the internet, such as a laptop, phone or tablet.

We can use search engines like Google to find things out.

Different people may need different things to help them to live a happy life.

We care for people, animals, other living things and our environment in lots of different ways.

Different people have different strengths and things that they are good at. People use their strengths and the things that they enjoy to help them in their jobs.

Some people have jobs which help us in the community, such as:

- Teachers
- Police Officers
- Fire Brigade
- Nurses
- Doctors

There are lots of different jobs which people do., such as:

- Vets
- Engineers
- Chefs
