

## Key Learning and Vocabulary—Dance KS1 PE

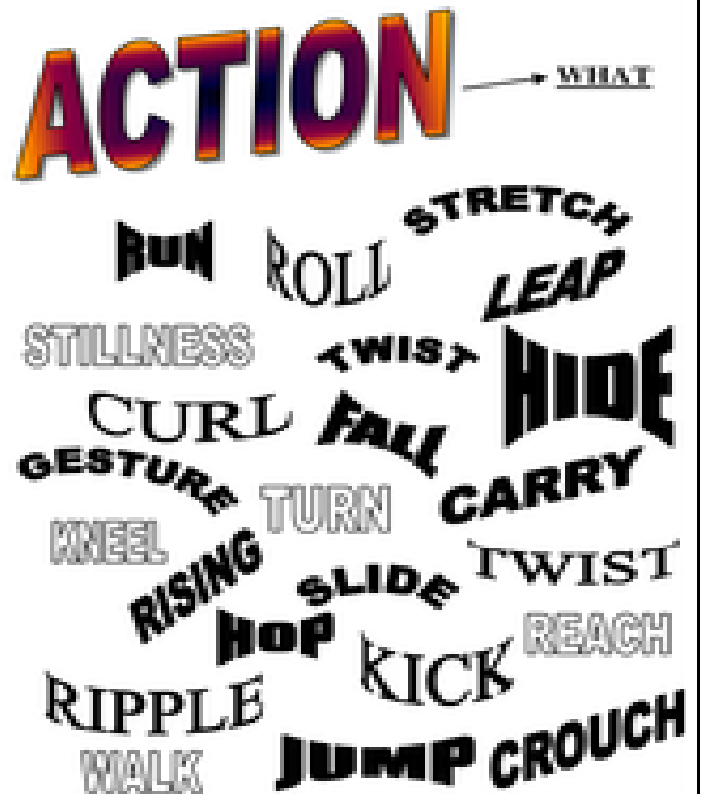

There are 8 beats in a bar and children will be able to clap and count along with the music, counting in 8's. This is encouraging their timing, try this exercise with different tempos.

## Corrections

Children will be able to identify corrections given by the teacher in relation to basic actions such as:

- Jumping higher
- Landing with bent knees
- Stretching arms more
- Pointing toes
- Remembering what comes next

Children will be able to create a simple dance phrase using some of these basic actions.

## Feedback

Children will be able to feedback to others on their performance referencing to the following:

- What they liked about the performance making reference to certain parts
- What they did well
- It would be even better if...
- How many moves did they remember
