

Year 4: Living in the Wider World

Key Learning

There are lots of benefits of being part of a community.

Friendships → Advice
Help → Support

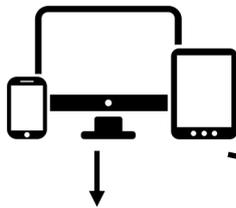

Lots of different groups of people make up and contribute to a community. →

There are different communities that we belong to as well as the school community.

Communities are a group of people that live in the same place or have particular interests in common.

The internet can be accessed in different ways e.g. phones, tablets and computers.

Everything shared online has a digital footprint.

Organisations can use personal information to encourage people to buy things.

Some content can be shared for factual purposes and some can be shared for advertising.

I can recognise what online adverts look like and why people might choose to buy/ not buy something online.

Lots of individuals and groups help the community.

- Police
- Bin men
- Volunteers
- Teachers
- Lollipop People

... that search results are ordered based on the popularity of the website and that this can affect what information people can access.

Things can be paid for in different ways for different reasons:

- Cash
- Debit cards
- Electronic payments

People make different spending decisions based on their budget, values and needs.

It is important to know how much money is being spend and how to keep track of your money.

How people spend money can have positive or negative effects on others e.g. charities, single use plastics

Key Vocabulary

Compassion	The desire to help someone who is in need.
Digital Footprint	A record of everything that someone does online.
Budget	A plan for using money.
Community	A group of people living in the same place or having a particular interest in common.
