

Moorside Community Primary School

Annual Governance Impact Statement 2020

The Governing Board is responsible for the conduct of the school and for promoting high standards; our aim is that Moorside should be judged an outstanding school.

In accordance with the Government's requirement for all Governing Boards, the three core strategic functions of Moorside Community Primary School Governing Board are:

Setting Strategic Direction

- Clarity of Vision and ethos
- Engaging stakeholders
- Meeting statutory duties

Creating Robust Accountability

- Accountability for teaching, achievement, behaviour and safety
- Strengthening school leadership
- Performance management of the Head teacher
- Contributing to school self-evaluation

Ensuring Financial Probity

- Solvency and effective financial management
- Use of Pupil Premium and other resources to overcome barriers to learning

The Governing Board comprises:

One Head teacher governor, three parent governors, one staff governor, one Local Authority governor, three co-opted governors and one associate (non-voting) governor. For terms of office and individual responsibilities: *see appendix 1.*

All Governors are unpaid and give freely of their time.

Co-opted governors are appointed by the Governing Board and are people who, in the opinion of the board, have the skills required to contribute to the effective governance and success of the school. The associate governor is a Headteacher of a north of England primary school.

The Deputy Head teacher may attend meetings by invitation, as a non-voting observer, to gain experience of governance and to report to governors on matters such as pupil progress data.

The Full Governing Board meets at least twice each term; there is also a Staffing committee of three governors which is responsible for staffing matters and resources, which meets three times a year. The Chair of Governors meets regularly with the Headteacher.

Governors have good attendance at meetings, and we have never cancelled a meeting because it was not "quorate" (*the number of governors needed to ensure that legal decisions can be made*): *see appendix 2.* In Spring/ Summer 2020 it has been necessary to hold both regular and extraordinary virtual meetings using Microsoft Teams; this is likely to continue into the next school year.

Minutes of Governing Board meetings are public documents: ask at the school office if you would like to see the minutes of our meetings.
