11th May 2020

Dear Parents and Carers,

Last night the Government made an announcement and set out some of their plans for a possible return to school for our pupils.

Although the information was brief and not yet concrete, please be assured that alongside the staff and Governing Board at Moorside Primary, strategies are being devised to enable staff and pupils to safely return to school when advised to do so.

Whilst we are drafting a plan to allow us to safely re-open school to those year groups determined by the Government, I must remind parents that at this time no changes have been made to the guidelines that the Government have previously set. Therefore school will only currently be open for pupils where it is essential, all children who can safely stay at home throughout the school closure period should do so. This means that currently and until further notice, school will remain closed to all but those pupils whose parents have been identified as Critical Workers. The list of occupations initially detailed by the Government has not changed.

As always, I thank you for your support, patience and understanding at this time.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'S Lawler-Smith', written over a light blue horizontal line.

Mr S Lawler-Smith
Head Teacher
