Dear Parent/Guardians and Carers,

As you are aware, we are providing childcare for all critical workers. We are asking that this is only used where absolutely necessary and we thank you for all your support you have shown regarding this.

Due to the nature of this provision, each day we have different children in school and staff members are working in teams to minimise the risk to all. To avoid the spread of COVID-19 we are continuing to follow government guidelines regarding washing of hands and keeping our distance wherever possible. To help with this further, we are asking all parents to **ensure that children come to school in a fresh outfit each day.**

Thank you once again for all of your support and the fantastic work you are doing in keep our community safe.

Kind Regards

Mr S. Lawler-Smith
