Dear Parents and Carers,

Re: Shielding households and returning to school.

Since March 23rd 2020, we know that many of our pupils have found themselves shielding due to their own, or a family members, clinical vulnerabilities.

As we find ourselves, thankfully, able to open to more and more pupils, we are aware that those who have adhered to shielding rules may now be returning to school.

Information regarding shielding pupils, is **NOT** something that Moorside Primary School is in receipt of from any agency.

Should your child or household be classed as shielding, the responsibility to inform school and determine whether it is safe for your child to return to school is yours. Should your child already have a Healthcare Plan in place at school, it is your obligation to update school with any changes to your child's health.

As with previous communication, parents and carers should be reminded that the choice and responsibility to send your child to school during this period, is yours alone.

Yours sincerely,
