## Seesaw – Our School Communication App

### Parent Consent

Seesaw is a platform for pupil/ parent engagement that inspires pupils of all ages to do their best and allows the class teachers and school to communicate effectively, encouraging a healthy school – parent relationship.

Your child can add work to Seesaw to share their learning with you throughout the course of the day. The school and class teacher will also send important messages and reminders using Seesaw. When there are new posts or messages, you'll be notified and can see what's new.

The school has adopted the use of Seesaw as its main method of communication and encourages all Parents/ Carers to sign up. Rest assured, Seesaw is private. You'll only see posts created by your child. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

When signing up to Seesaw we ask Parents/ Carers to agree to the following guidelines:

- Keep the login details within my trusted family
