Dear Parents/ Carers,

As Christmas is fast approaching we need your support regarding the fight against Covid-19 now more than ever. The last thing any of our families and staff members want is to have to isolate over the Christmas period if it can be avoided. Staff are coming into contact with many children throughout the day and we need to protect each other.

It saddens me to say that we still have families not following the guidelines. This is grossly unfair to everyone. We have already been in the position where we have had to close bubbles when it could have been avoided if rules had of been adhered to. We need to pull together and strictly follow the rules to ensure, as much as possible, that we all have the Christmas break that we need and deserve.

- 1. Do not send your child into school if they have any Covid-19 symptoms**
- 2. Do not send your child into school if a member of the household/ a close contact is awaiting test results.**
- 3. Do not send your child into school if a member of the household/ a close contact is displaying symptoms**
- 4. Do not send you child into school if a member of your household is positive.**

If you are ever unsure or have any questions or queries please contact school and someone will be happy to help.

Thank you for your support.

Yours Sincerely,
