10th March 2023

Dear Parents and Carers,

Re: Strike Action

As you are aware, earlier in the term, some classes were closed due to strike action. On Wednesday 15th and Thursday 16th March there are further planned strikes.

The NEU are striking to ensure that existing school budgets are protected.

Members of the union do not have to inform school leaders of their intentions to strike however, staff at Moorside, who are members of the NEU, would like to give parents as much notice as possible.

As a result of the strike, the following classes will be closed on Wednesday 15th & Thursday 16th March.

- Ash 2
- Sycamore 3
- Oak 1
- Oak 2
- Oak 3

Links to online learning opportunities will be sent to children in the effected classes, however staff will not be on hand to respond to any submissions.

The hope is that a mutual agreement will be reached (between the NEU and the Government) before these dates, in which case these classes will open as usual. However, in the event this is not the case, the strike days will go ahead as planned.

If you have any questions or comments regarding the strike, please direct these to Miss Cooper, Head of School or myself.

Thank you for your continued support.

Yours sincerely

Mr S. Lawler-Smith
Executive Head Teacher

*To go further than we thought possible
To run faster than we hoped
To reach higher than we dreamed
To be the best that we can be*
